1<sup>st</sup> Prize

## BERGARA B-14

== TIMBER ==

The B-14 Timber rifle, chambered in .270 Winchester, features a Monte Carlo style walnut stock with a raised comb and cheek piece. As with the entire B-14 Series, the Timber brings Bergara Barrel accuracy to a line of hunting rifles that is affordable to serious big-game hunters.

2<sup>nd</sup> Prize

**\$1,000 Visa cash card**

3<sup>rd</sup> Prize

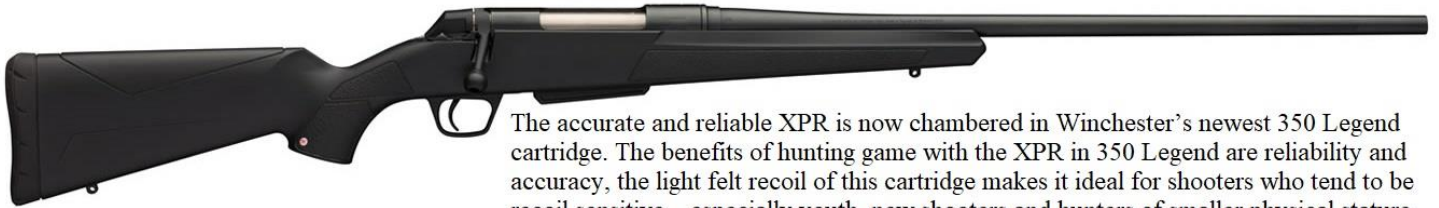

**CVA CASCADE Chambered in .450 BUSHMASTER.** The carbon steel barrel is finished in a rich Cerakote® Flat Dark Earth. The series features a threaded muzzle, making it ready for a brake or suppressor whenever you are. The bolt design incorporates a 70° throw for smooth and fast operation, plus generous scope clearance. The two-position safety is conveniently located for natural and instantaneous operation.

4<sup>th</sup> Prize

**Winchester XPR .350 LEGEND**

The accurate and reliable XPR is now chambered in Winchester's newest 350 Legend cartridge. The benefits of hunting game with the XPR in 350 Legend are reliability and accuracy, the light felt recoil of this cartridge makes it ideal for shooters who tend to be recoil sensitive – especially youth, new shooters and hunters of smaller physical stature. The 350 Legend / XPR bolt-action is the ideal hunting combo for whitetail deer, wild hogs and other small- to mid-sized game. The advanced polymer stock is built for superior grip in wet conditions and the matte blued finish is tough and non-reflective.

5<sup>th</sup> Prize
